**Newsletter**

Content – Plan for future newsletters is to highlight various County departments' history. June's department highlight will be the Health Department. The September edition will highlight Juvenile Court. Future articles will be on member hobbies/talents. Requests to members about their hobbies will be solicited at future luncheon/meetings. Some of the hobbies are on dragon boat racing, and orchid growing. An article regarding the PNC Park tour will also be included in the September newsletter. Email newsletter experiment – Our web-site has no capability to send out mass emailings but the website, Mail Chimp, allows you to send up to 2,000 mass emails per month for free. Connie Przybyla emailed 617 members the March newsletter. Approximately 75 email addresses were not correct. Over 62% of the emails were opened, and most were opened twice. ## **New business**

Retirement Board decision on raises for retirees. Guy Tumolo reported that there will be no increase this year. Increases were part of the plan with 2017 as the year to review. Criteria for granting a raise are: keep the fund solvent, actuarially

sound, and be worth over \$900 million before an increase can be considered. Indicators were not met which is why there will be no increase this year. Next year they will look at an increase again. Questions raised by board members: What are the benchmarks? Death benefit is \$10,000 or \$5000 for some? What happens in 2018? These and other questions are to be answered by the retirement board in November.

Adjournment 11:35.

### **Luncheon Meeting**

President Guy Tumolo welcomed the membership. He reported that the audit committee with Tom Kelly, chair, and Gary DeCroce found the status of the finances to be in good shape for 2016.

He also offered members the opportunity to send him pictures of large objects or furniture for his opinion. He took questions from the audience on furniture, political memorabilia, Fiesta ware, and jewelry.
