- Adjournment

*The meeting will be held via ZOOM due to restrictions imposed by the response to the pandemic. A total of 40 members attended the Zoom meeting.

ACRA – President’s Annual report – November 2020

Another year has passed, taking us deeper into the 21st century. From all indications there will be changes in our life style that will carry into the coming year or even years. The main instigators are health concerns and technological change. We of the Board of the Retirees Association will do our best within the restrictions in place at any one time to bring you activities and information that would best “normalize” our world in the coming year. The past year has been a year of canceling meetings, luncheons, activities and resorting to the new technology of ZOOM to hold board meetings and the Annual Meeting of the Association.

We still have approximately 1000 members around the country. This past year we have communicated and kept members informed through our web site, responses to emails, email notifications to those who have provided email addresses, and especially through the quarterly newsletter.

We hope you all enjoyed the expanded newsletter with its coverage of retirements, deaths, spotlights of individual members, recipes, informational articles, and retirement fund information.

We encourage all of you to renew your membership and encourage other retirees to join. We are looking for some of you to step forward and volunteer to keep the traditions of the Association growing and beneficial to the membership.

Ever hopeful, programming has been set for March through September of 2021. The picnic is on the docket for June in South Park. Suggestions for luncheon programs and other activities would be greatly appreciated. Suggestions made via replies to a previous questionnaire have been considered by the Board and those within our ability to organize have been held. We invite you to share experiences you have enjoyed with fellow members.

On behalf of the Board we wish you good health always and a good life in retirement. You deserve it.

ACRA ANNUAL TREASURER'S REPORT - 2020 (10-26-20)
